

EASY CARE OF YOUR OUTDOOR SPACES.

The powerful blowing force of the BGA 57 battery Blower cleans up leaves, dirt and debris in no time. Our Battery Blowers are light and easy to use, start them with just a push of the button. The design of the trigger allows users to easily start the Blower with either the left or right hand. The BGA 57 has an extendable blower tube that can be adjusted to suit your height or the task you are doing.

A man wearing safety glasses, a grey long-sleeved shirt, blue jeans, and black gloves is using a white and orange STIHL BGA 57 battery blower. He is standing on a paved path in a garden, blowing leaves and debris. The background features green bushes and a tree trunk.
