

A woman with short grey hair, wearing a black visor, safety glasses, a light pink long-sleeved shirt, blue jeans, and brown rubber boots, is using a white and orange STIHL battery-powered trimmer. She is standing on a concrete step in a garden, cutting grass. The background shows a white door with a window, a mailbox, and some greenery.

## **LIGHTWEIGHT AND EFFICIENT BATTERY POWERED TRIMMERS**

---

Whether you're a homeowner or a professional, you can appreciate the power and convenience of STIHL battery-powered trimmers. They're lightweight, quiet and start instantly. There's also zero exhaust emissions, and zero engine maintenance. STIHL battery grass trimmers are great for school grounds, hospitals and other noise-sensitive areas.
